

SAP DEVELOPMENT/ENHANCEMENT REQUIREMENT (PROCESS OWNER)

1. Business Requirement Details and its Benefits

- Commitment Incentive Scheme has been announced for FY 2026-27.
- Accordingly, mapping of CIS 2026-27 for the period from 01st June 2026 to 31st Mar 2027 is to be done in SAP module for entering the Customer commitment and processing of CIS discounts as per scheme.
- GAIL CIS 2026-27 mapping initially shall be done for PE grades and after starting of PP plant production, CIS mapping of PP grades shall be done.

Attachment(s):

A. Attachment of CIS 2026-27 scheme circular.

- Mapping of CIS 2026-27 for the period from 01st June 2026 to 31st Mar 2027 in SAP module as per the provision of attached CIS 2026-27 scheme circular.
- Major CIS 2026-27 changes:
 - The CIS monthly quantity shall be restricted up to **200 MTM (MT per month) for PE for Trader/AUT (Actual User cum Trader)**.
 - A, B, OG, PS, GS, Powder & Polyfines grades of PE shall be applicable in CIS 2026-27.
 - Lifting of PS, GS, Powder & Polyfines shall be allowed for eligibility in CIS 2026-27 but Monthly and Annual CIS discount shall not be applicable on lifting of PS, GS, Powder & Polyfines.
 - Minimum Monthly lifting of 75% of the MCQ and Minimum Annual lifting quantity should be at least 80% of ACQ.
 - Grades considered in Seasonal Sector for PE: E52A003, E52U003, P54A001, P52A003, P46A010U, D22S010, F20S009, F18S010U, I50A180, I56A200U, R35A042, R35U042, R36A050U, R36U050U, B55HM0003, **B63A003 (new Seasonal grade addition)**.
 - Customer/Shortfall Waiver: Please refer CIS Scheme clause 8.i & II.
 - CIS Discount Structure: Please refer CIS Scheme Clause 11.
 - Tentative lifting of grade shall be linked for calculation of MCQ & ACQ (including in case of upward revision).
 - For Multilocation entity mapping in CIS module, please refer Sales policy clause 3- (j, l, m, n). All Multi-locational entities which are approved as a single entity will be entitled to get the benefits based on the combined lifting of their units located throughout the country for relevant discounts/ schemes which are announced from time to time. Lifting of various entities from the date of provisional approval shall be considered as one single entity. However, if individual single entity lifted quantity in beginning of CIS Period and added another of its unit to form multilocation unit then the previous lifting as single entity shall be considered for Annual CIS discount calculation. New CIS need not to be entered for such multilocation units. Provision should be made in CIS Module accordingly.
 - In case of Group entity, existing mapping of CIS 2025-26 shall be prevailed where new CIS shall be formed from date of approval of group entity.
 - As the Centralized processing cell may start functioning, accordingly, provision for checking of CIS output by zonal office and processing by CPC shall be incorporated in CIS 2026-27 Module. A report shall be required of checking and processing of CIS discount in SAP.
 - Shortfall Grade waiver: For entering of Shortfall waiver, currently T code YRVG018 is being used. A provision should be explored to automate the waiver applicability CIS wise as per monthly/annual lifting against CIS commitment. Where Sales & Coordination team (PMG) may enter monthly/annual shortfall grades in CIS module and the same shall be applied on CIS where CIS lifting is less than 75% of MCQ / 80% of ACQ. Zones shall verify the same in T code YRVG018 and process it zonal wise as per CIS scheme shortfall waiver approval criteria. After functioning of CPC, shortfall waiver shall be checked by zone and processed by CPC.

2. The following person(s) shall coordinate from our department for further inputs and testing and acceptance of the system

Name	Sh Snehil Saraswat	Name	Sh Vikram Singh
CPF No.	17311	CPF No.	16883
Designation	Manager – Mktg-PC	Designation	Sr. Manager – Mktg
Department	Mktg-PC	Department	Mktg-PC & R
Location	PMG - Noida	Location	PMG - Noida
